WALSGRAVE

The tree that stands proud and strong. Planted in rich soil, our roots provide the safety so that we can all grow: the branches give the strength to weather whatever the seasons bring. Each unique leaf has the chance to thrive, adding to the beauty and wonder of the tree. Animals scurry, jump and explore, learning every day and having fun. Even the biggest tree needs the warmth and light of the sun, the rain from above and new leaves to grow each year. We are all part of God's plan. The roots, the branches and the animals are all called together so we can all flourish and make Walsgrave stand strong.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future".

Jeremiah 29:11
