

Shaping Our School Vision Together

As a Church of England school, our Christian vision is at the heart of everything we do — it guides how we teach, learn, care for one another, and grow together as a community.

Our strapline, “Together We Thrive,” will remain at the centre of this vision. It reminds us that every member of our school family is valued and supported, and that we flourish when we work together in God’s love. The image of the tree continues to be really important to us — it symbolises being rooted in strong Christian values, growing in faith and wisdom, and flourishing as individuals and as a community.

A shared vision helps everyone — children, staff, parents, governors, and our church family — to understand what we believe matters most, and how those beliefs shape daily life in school. It gives meaning and direction to our values, our curriculum, and the way we help children flourish academically, socially, and spiritually.

As part of this work, we are also reflecting on Bible verses that can help our vision to be theologically rooted — verses that express the same sense of growth, belonging, and purpose that our school community values so deeply.

We want our vision to reflect who we are and who we aspire to be, so we’d love to hear your thoughts. Please take a few minutes to complete our short form using the link or QR code below. You’ll be invited to choose the words and ideas that you feel best represent our school and the Christian distinctiveness that makes it special.

The Walsgrave Vision

Your feedback will help us ensure that our vision continues to be clear, inclusive, and shared by everyone — a vision where we truly grow together in God’s love
