

### The Head Teacher's and Parish Partners Conference

On Tuesday a group of children from the choir had an amazing opportunity to lead worship for a group of headteachers and Parish partners. The children were incredible. Their enthusiasm and energy lit up the room and their thoughtful answer to questions asked prompted some great discussions amongst the adults. They really were the most fabulous advocates for our school and we are very proud of them.

### National Prayer for Schools Week

This week we celebrated National Pray for schools week. Each class set up a prayer station in the hall and then all children had the opportunity to explore and spend some time in prayer and reflection. In the evening Rev Tom and Pastor Dave from the Baptist Church led an evening of prayer for the community.

It was a wonderful day where we had the opportunity to lift Walsgrave and our community up in prayer.

### ☀ The Importance of Good Attendance ☀

#### Every day in school counts...

#### and every minute counts...

Every day in school matters — not just for learning, but for friendships and confidence too. When children are in school regularly, they take part in shared experiences, build stronger friendships, and develop the social skills that help them feel part of the class community. Missing days can mean missing special moments — a group project, a new topic, or simply playing with friends and joining in with class routines.

Even a few days off can make it harder for children to settle back in and can affect their confidence in both learning and social situations. We want every child to feel secure, connected, and ready to learn — and regular attendance makes a big difference.

We know that sometimes getting to school every day isn't easy. If you're finding attendance or punctuality a struggle for any reason — whether it's morning routines, health, or something else — please come and talk to us. We're here to help and want to work with families to make sure every child can get the best from their time in school.

**Let's work together to make sure every child can enjoy every opportunity that school brings**

### Our value this half term is Endurance

We also pray that you will be strengthened with all his glorious power so you will have all the endurance and patience you need  
Colossians 1 10-11
