

Together we
Thrive

For the past 2 weeks the children have been taking part in a MAT wide TTRS battle. The results are in and Walsgrave were the overall winners!

We wanted to celebrate this achievement in assembly so Mrs Cherry announced the top 3 classes and the top 3 most valuable players across the whole school.

We are very pleased to announce that 4S were the top class and Elijah, Darren and Jaden were our top 3 most valuable players. Each received a certificate and a prize to recognise their efforts.

Look out for the next TTRS battle in the near future! In the meantime, remember it is Number Day on Friday 6th February where there is lots of fun to be had!

Working Together to Improve Attendance

We are continuing to work hard as a school to improve attendance and ensure that every child benefits from the full breadth of learning, experiences and opportunities on offer. Being in school every day really matters, as it supports children's learning, wellbeing, friendships and sense of belonging.

At Walsgrave, our vision of Together We Thrive reminds us that children learn best and have a greater sense of wellbeing when they feel known, valued and part of a community. Regular attendance helps children build strong relationships, feel secure, and take part fully in school life.

We know that good attendance is built through partnership, and we are grateful for the ongoing support of our families in prioritising school wherever possible. By working together, we can help every child develop strong habits that will support them now and in the future.

Our Value for this half term is Thankfulness...

On Monday Mrs Ashworth continued our theme on Thankfulness. She had some help from the children in Nursery, Reception and the Acorns who had made a brilliant video talking about all the things they were thankful for.

The children in keystage 1 and 2 then had the opportunity to reflect on what they are thankful for. The teachers came armed with pens and post-it notes and after our reflection time the thankfulness jar was overflowing with all the things that they were thankful for.

Give thanks to the Lord, for he is good; his love endures forever Psalm 106:1

For families and friends . . .
We are thankful.

For the beauty of nature and the world around us . . .

We are thankful.

For all the things in life that we too often take for granted . . .

We are thankful.

Please help us to be willing to show our thanks, not only in what we say but also in what we do each day . . .

We are thankful.

Amen.
