

## Together we Thrive

### World Book Day

We had a lovely day celebrating World Book Day and it was so brilliant to see all the creative ways that the children brought a word to life. Thank you so much for making the effort.

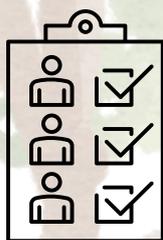

### Easter Celebrations

Please keep an eye out for the information coming out soon about all the Easter events that are coming up. There will be egg decorating, easter bonnets and a whole host of other fun things planned. We will also be going to Church and in collective worship and classrooms exploring what is so important about Easter.

### Whole School Attendance

We are delighted to share that our school attendance has continued to improve this term. This is a fantastic achievement and a reflection of the strong partnership between home and school. Thank you to all our parents and carers for your ongoing support in helping children arrive on time, every day, ready to learn. Your commitment makes a real difference to their wellbeing, progress and confidence in the classroom.

We truly appreciate everything you do to help us maintain excellent attendance. Together, we are making sure our children have the very best opportunities to learn, grow and succeed.

### Huge Well done to 4S!

They have collected all the letters in A-T-T-E-N-D-A-N-C-E letters!  
They have also had a full week of 100% attendance.

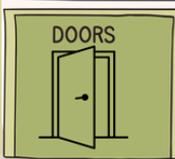

Our Value for this half term is Forgiveness...

This week we explored the theme of forgiveness through the story of Joseph. Children reflected on how everyone makes mistakes and how responding with honesty, saying sorry, forgiving others and learning from what happened helps our school stay a kind and safe place.

We talked about why boastfulness can lead to hurt feelings, how Joseph's brothers could have acted differently, and how Joseph chose to forgive despite the difficulties he faced.

The key message was that forgiveness helps us move forward, while holding onto anger keeps us stuck. Children were encouraged to think about any mistakes they might need to put right or anyone they may need to forgive.
